WELCOME TO THE PARADISE OF CYCLING AND HIKING

Vino Versum is Poysdorf's tourist centre and first point of contact for visitors, offering a broad range of possibilities to experience the universe of grapes, wine and viticulture.

The following pages invite you to experience many facets of the wine town Poysdorf and give you an overview of the variety of restaurants and taverns. Make your choice among a broad range of accommodation options – from private guest rooms or a place at the camping site directly by the swimming pond, to upscale comfort rooms and a 4 star hotel – for an enjoyable stay.

The WEIN+TRAUBEN Welt is one of the main tourist attractions in Lower Austria. Our picturesque cellar lanes, vineyards and all other sights which can also be explored by tractorcruises or e-bike, are waiting to be discovered by you!
